My team project

Book Cover

Me and my team members acheived in a book cover design PROBLEM DEFINITION @ DESIGN THINKING

Empathy Map

Ideation & Brainstorming Map

RESULT

ADVANTAGES

 It greenery and also act as a stress reliever for us. It gives a good

vibration in the atmosphere

APPLICATIONS

Search designs on Canva

then select robotics design and change that colors and fonts.

CONCLUSION

These are the things we have done this project .
Users can also design and sell certain digital products.
